ABI/Inform Complete (Business Periodicals Database)

A comprehensive full-text source on business topics, ABI/INFORM features scholarly research from peer-reviewed journals (including over 3,000 full-text publications), trade and industry news, 25,000 Dissertations, 14,000 SSRN working papers, key newspapers such as The Wall Street Journal and The Financial Times, as well as country-and industry-focused reports and data. Specialized subsidiary databases include accounting and tax news, banking and financial services news and research, proprietary information about more than 40,000 public and non-public companies and 225,000 key executives from Hoover's, pharmaceutical and telecommunications industry news, international market and industry research reports, and analytical articles covering world and regional economic and political developments of major significance. [August 1971 - Present]

Academic Search Complete

Large, interdisciplinary full-text database contains over 8,500 full-text publications, including academic journals, magazines, books, and trade publications. Offers broad subject coverage for a variety of disciplines, including anthropology, area studies, biology, chemistry, ethnic and multicultural studies, food science and technology, general science, geography, law, mathematics, music, pharmaceutical sciences, physics, psychology, religion and theology, women's studies, and many other fields. LOOKING FORWARD

- Embed more SpringShare widgets
- Experiment with non-SpringShare widgets
- Create customized widgets with ColdFusion
