2024 NJLA CUS/ACRL-NJ Technology Innovation Award
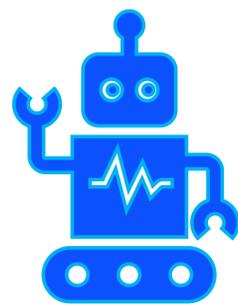

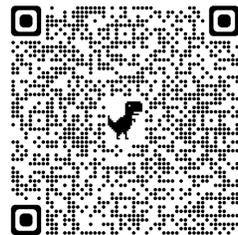

NJLA CUS/ACRL-NJ Technology Committee – Janelle Bitter, Chair – janelle.bitter@raritanval.edu

⭐ Call For Nominations ⭐

The Technology Innovation Award honors a librarian or group of librarians for innovative use and application of technology in a New Jersey academic library, *including creative use of existing technologies*. The award may be given either in recognition of a specific project, or for an ongoing delivery of innovative technology applications. *Particular consideration will be given to those that have had a transformative impact on their institution and can be used by other academic institutions*. The purpose of the award is to recognize distinguished leadership in developing new technologies for academic libraries.

See full submission guidelines and submit your entry here:

NJLA CUS/ACRL-NJ Technology Committee sponsors programs and other activities for meeting the technological challenges facing libraries and librarians. Each year at the NJLA Annual Conference, the Committee presents the NJLA Technology Innovation Award.
