Virtual EBSCO Day for VALE Members

Thursday October 16th, 9 am – 3:15 pm

Join us all day or for one or two sessions as your schedule and interest allow.
Please use the below links to register for the individual sessions you are interested in.

9am-9:45am: OpenAthens

https://zoom.us/meeting/register/07kgG8t_Qom-rvsTLFVcQg

- With strict privacy standards becoming the norm in academic institutions, learn about all of the benefits of OpenAthens, a modern SSO technology that offers easy online access to all library resources. Seamless and simplified access- the complete solution for authentication.

10 am – 10:30 am: EBSCO Updates/New Developments

https://zoom.us/meeting/register/4pr3x-EUQqe_J8OezHSnzw

- Stay up to date with EBSCO's latest innovations and offerings. This session will highlight recently released and upcoming databases and digital magazine archives, AI updates and more.

11 am – 11:45 am Panorama

https://zoom.us/meeting/register/e1EpdsxvT_WEyIIs2TXosw

- Discover the future of library analytics with Panorama, the first library analytics platform that allows you to automate workflows and uncover insights not accessible until now. Emphasis on Panorama's new Read & Publish dashboards that enable libraries to easily collect data to analyze the value of current and potential transformative agreements.

12 pm Break / Lunch

1 pm – 2:15 pm Folio/eReservePlus

<https://zoom.us/meeting/register/EBfDGIFPRz6-7VPfLBbFPA>

- Stay ahead with the latest updates from EBSCO, including exciting enhancements to FOLIO, the open-source library services platform, and e-Reserve Plus, a powerful course reserves solution.

2:30 – 3:15 pm eBooks/Mosaic

https://zoom.us/meeting/register/b_3QiCjnR_udoyXtU7fJVw

- There is much to discuss about eBooks right now. We will provide an overview of EBSCO eBooks, including our commitment to the perpetual license acquisition model, discuss new eBook initiatives, and share logistical considerations for transitioning existing eBook workflows to EBSCO. We will also briefly introduce Mosaic, the new book acquisition platform from GOBI Library Solutions, designed to simplify and enhance e-book purchasing for academic libraries.
